# Dedication

The 1957 La Reata is dedicated to Stuart Dufour, college president, in grateful appreciation for his interest in and friendliness to both students and faculty.

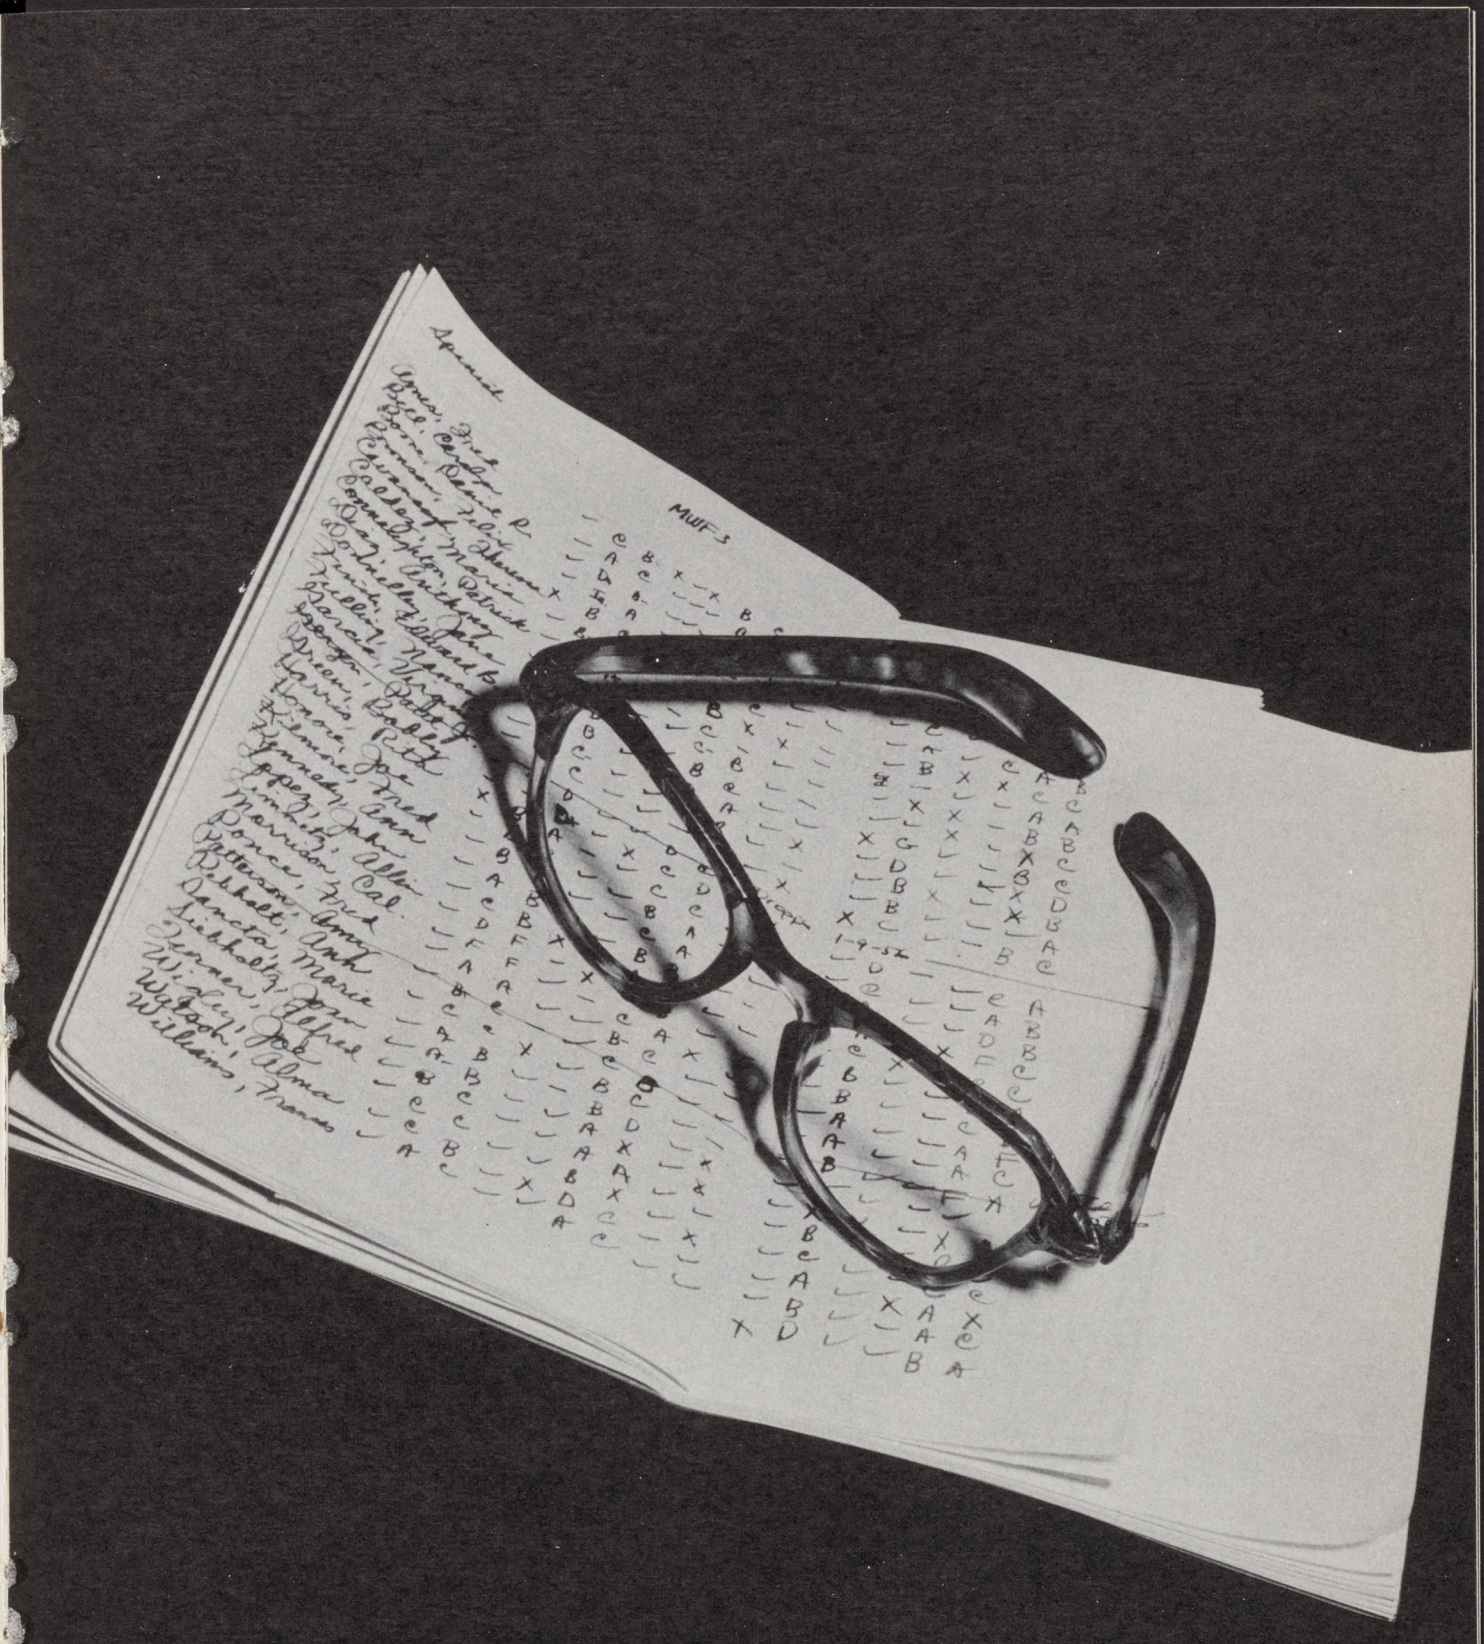

# Hartnell College

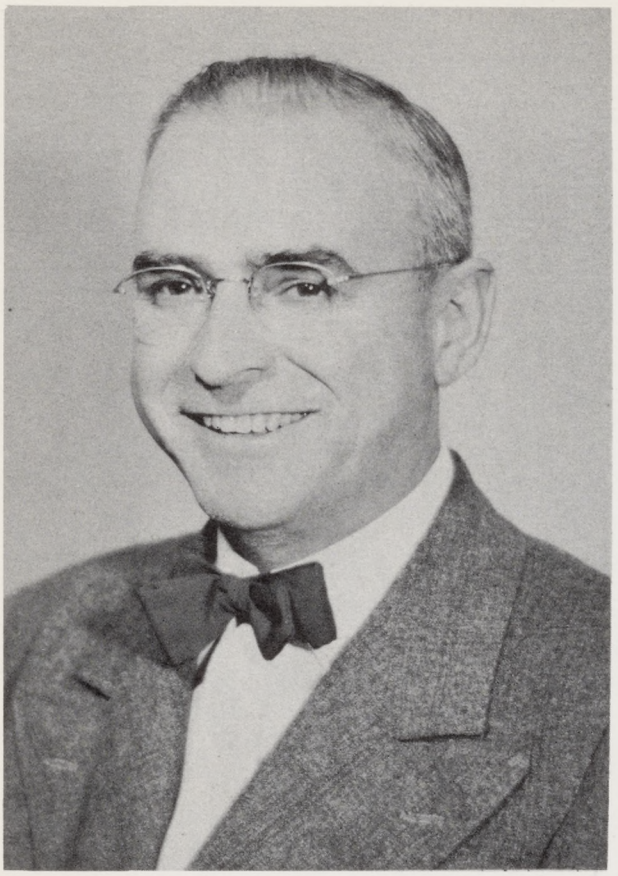

. . . was named for William Edward Petty Hartnell, who established the school in the Gabilan foothills east of Salinas in 1833. A few years later the school was discontinued due to a lack of students. In 1920, the Salinas Junior College was founded by the Board of Trustees of the Salinas Union High School District. The Salinas Junior College was renamed Hartnell College in 1948.

# Hartnell A&M Campus

# Faculty - Administration

J. FREDERIC CHING
Superintendent, Hartnell
Junior College District

J. Frederic Ching, Ph.D., has served as superintendent of the Salinas elementary and high schools, as well as of Hartnell College, since 1947. During this period he has received local and statewide recognition as an able school administrator. Dr. Ching, who is serving at present as vice-president of the Salinas Chamber of Commerce, has long been active in various civic and professional organizations.

# Vocational Nursing

HELEN B. UNDERWOOD
Director, Vocational Nursing

Student nurse checks pulse and temperature

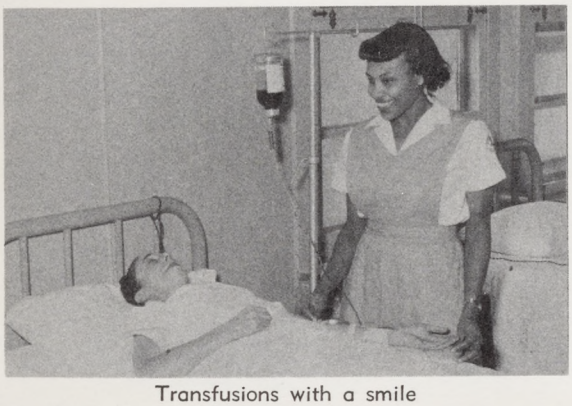

Blood pressure, normal

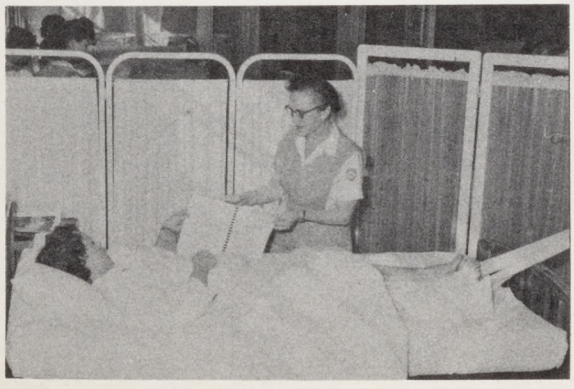

The school of vocational nursing is an accredited school administered by Hartnell College and affiliated with the Salinas Valley Memorial Hospital and Monterey County Hospital. Vocational nursing provides the opportunity for interesting and profitable positions for both young women and men interested in helping to meet vital needs of community life.

The course lasts one full year, a total of 1,740 hours of preclinical work at the college and clinical practice and instruction in the hospital.

ORCHESTRA. Left to right: Erica Rossi, Lorell McCann, Joyce Thompson, Tom Archer, Mrs. Alice Reed, Philip Landis, Bob Scagliotti, Vincent Holm.

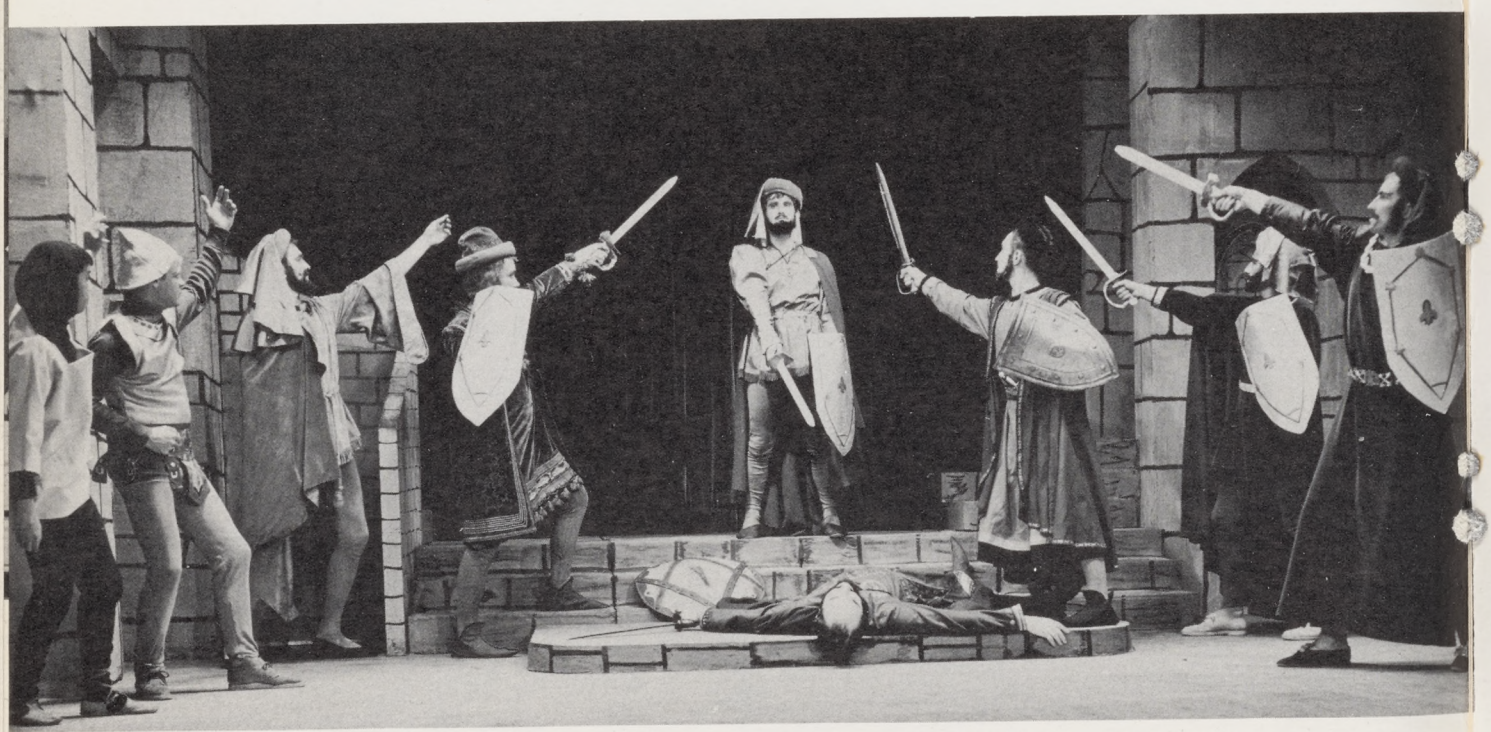

# College-Community Players

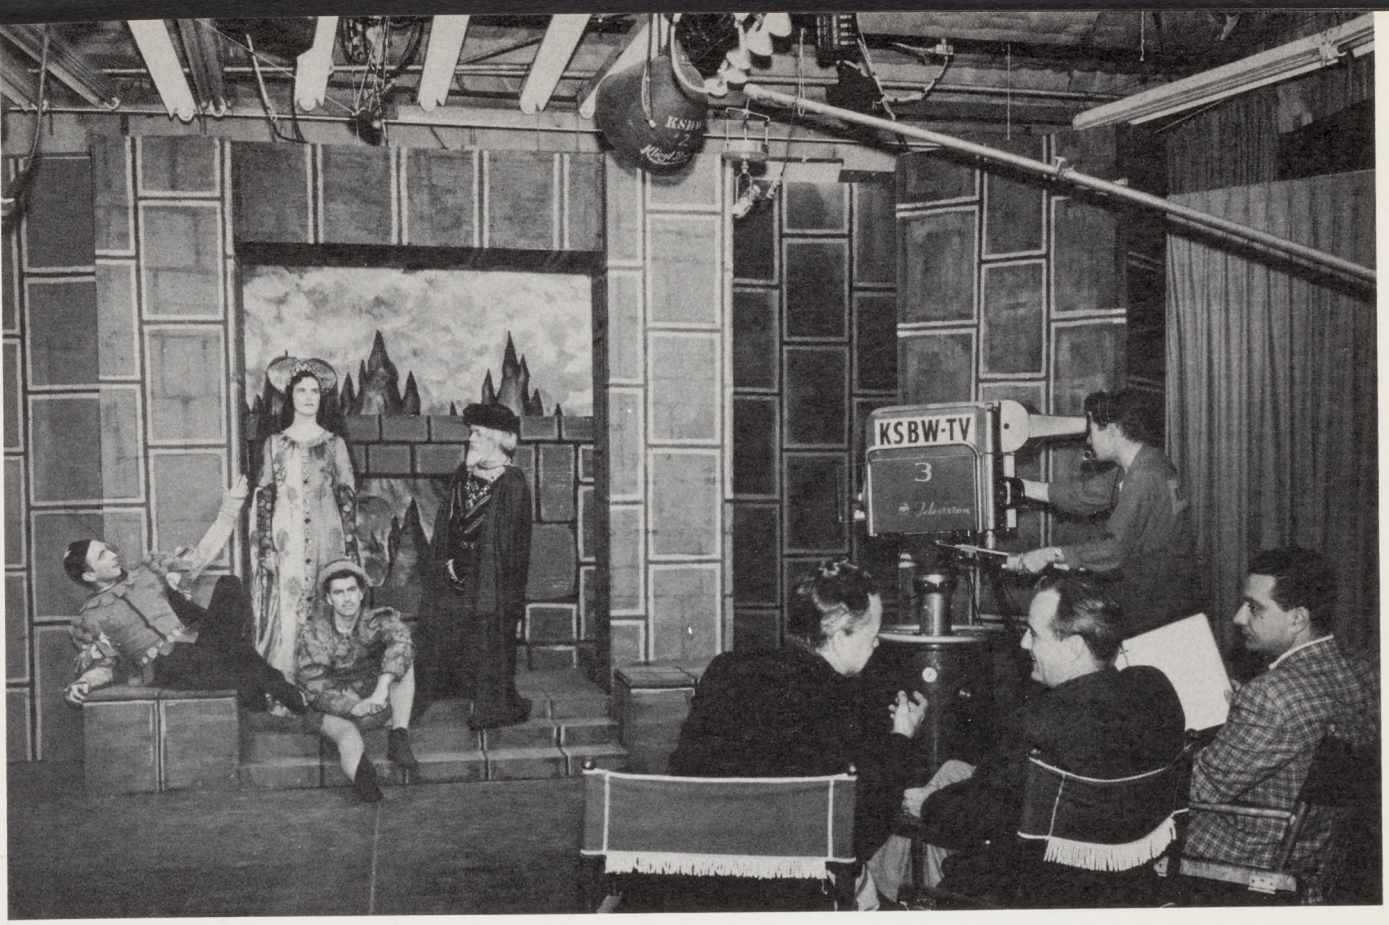

HAL ULRICI
Director, College-Community Players

The College-Community Players, in operation at Hartnell College for the past five years, give an opportunity for students to work either in acting capacities or backstage with people of the community. The Players have attempted to produce a variety of play styles, ranging from Shakespeare to the modern. The major objective of the group is to produce outstanding dramas at all times. Currently the players are working on a series of television dramas, the first of which was highly successful last December over KSBW-TV (Channel 8).

Hal H. Ulrici

MACBETH, the first presentation of the year by the College-Community Players, was produced before an enthusiastic audience.

EVERYMAN, first College-Community Players television presentation.

KEN BLUE
Football Coach

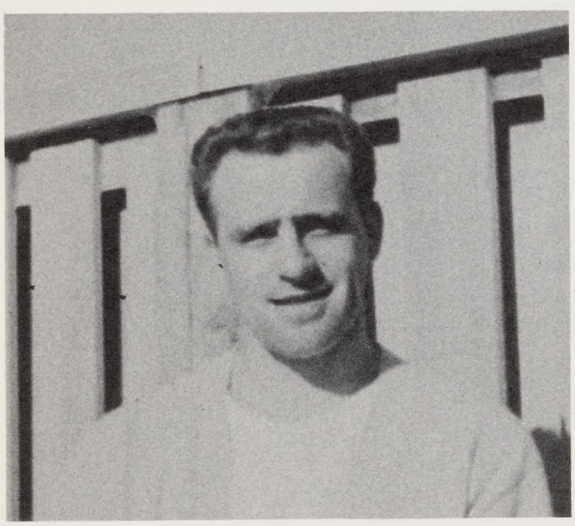

Football Coach Ken Blue (center) confers with assistant coaches, John Schwellenbach (left) and Don Nergord (right).

Although they did not finish high in the win-and-loss column, the 1956 Panther football team did an outstanding job playing one of its toughest schedules in history.

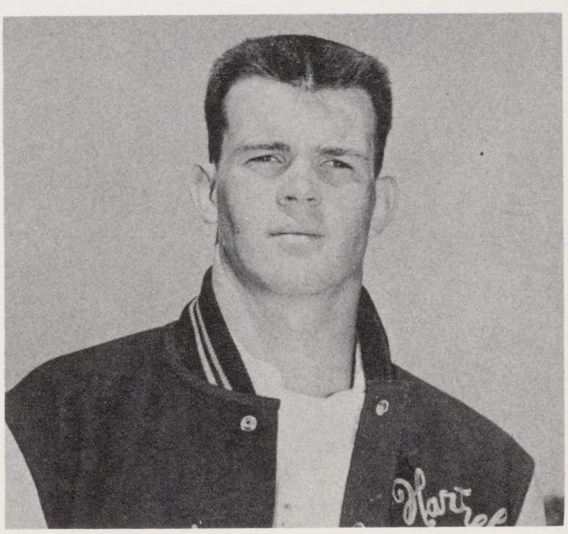

They played well and fought hard throughout the season. Injuries contributed largely to the misfortunes of the games, but the team overcame these odds and put on a good show in each and every contest.

Many of these men will be back next year, and we can look for an improved team the coming season.

# Basketball

G. ED ADAMS
Basketball Coach

JESS REGLI
Assistant Basketball Coach

GUS ANDERSEN
Team Captain

This year's basketball team played leading junior colleges with outstanding results. One could hardly forget the outstanding playing ability of our men — Ron Critchfield was one of the top five scorers in Northern California, Bill Loveless was in the top ten, and Gus Andersen ranked among the top 20 scorers. Hank Dacuyan played a tight team game considering his size and the ability of opponents.

We were fortunate in having many outstanding freshman players—Don Bush, Ron Leonti, Ron Garten, Frank Padilla, Terry Wallace, Ron Brock and Jack Jurian. Sophomores Bill Rodrigues, Ron Jones and Doug Addison added reserve to the squad.

Jerry Tollefson was sorely missed at the first of the season due to eligibility problems, and later at the end of the semester, when he transferred to another college.

# Baseball

JESS REGLI
Baseball Coach

JULIO VALENTIN
Manager

The 1957 baseball team has a group of men who are playing their second year of baseball for the college. Augie Scornaienchi as catcher, Jesse Dominguez as pitcher, Joe Jellison at first base, Ted Stacey at shortstop, Art Lopez in left field, and Fred Gonzales alternating between first base and right field, are all finishing up their eligibility as sophomores at Hartnell.

The freshmen who have shown ability thus far are: Ron Garten as catcher, Ron Garvis and Bill Beretta as pitchers, Aubrey Woods, Frank Padilla and Merwin Kehl in the infield, Dave Castro and Jack Hildner in the outfield. Sophomore Bob Woodring, in his first year of baseball play, is giving the regular outfield a rough time for a starting position in right field.

With the season already started and seven games played (at press time), the Hartnell Panthers have won five and lost two encounters. The Panthers may not do so well in the outcome of the remaining games but will give every opposing team a stiff battle.

# Track

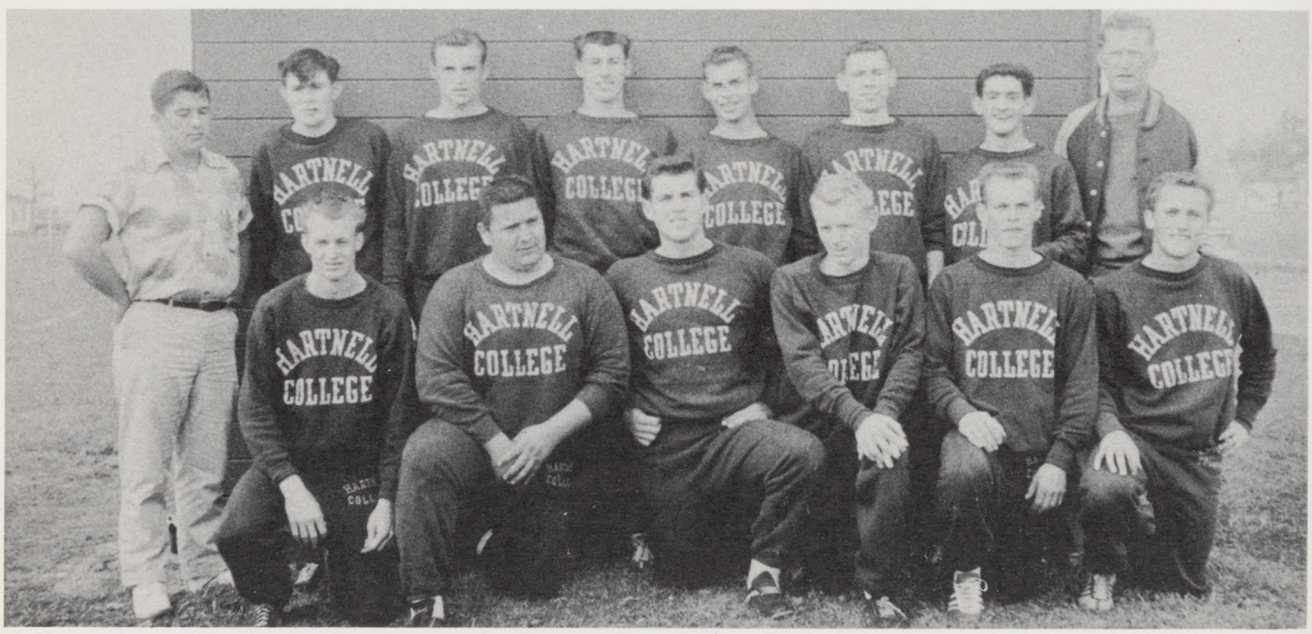

G. ED ADAMS
Track Coach

This year's track season has started off with a victory over CCE that gives an indication of a possible conference championship.

In the distance events our two conference cross-country champions, George Harris and Bob Kennedy, were leaders all the way in their favorite event. In the field events our "pole vault twins," Melvin Kelly and Ivan Hartsell, were unchallenged. In the high jump Ron Ross, Joe Bass and Terry Wallace led the field, as did Don McDowell in the broad jump. Of course, our two weight men, Mervin Anderson and Manuel Miranda, kept us well ahead in their specialties, the shot put and discus.

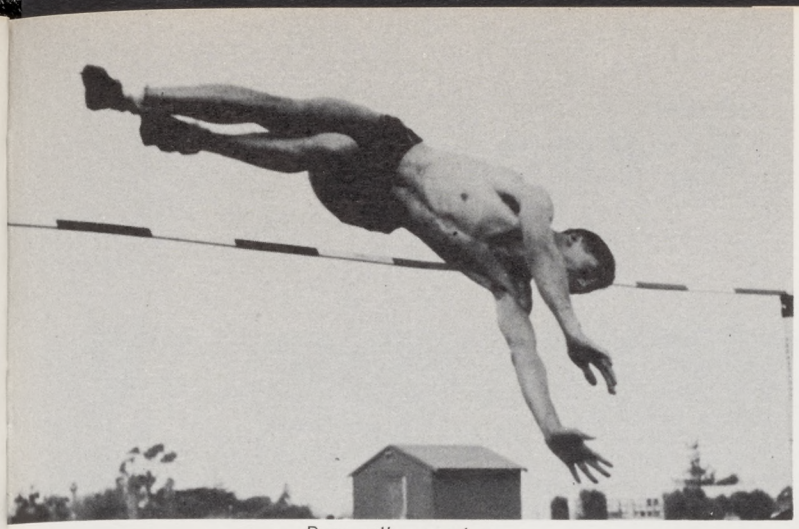

We are a little weaker in the running events this season, due to the loss of Wes Bond and Dick Casper, last year's greats. But Ricky Axe, Ray Perez, Loren Thomas, Jim Dunson, Don Pittman and Jack Jurian more than filled their places with points in their events.

J. Ed. Adams
